

TextureInterface

```
classDiagram
    class TextureInterface
    class Texture2D
    Texture2D --|> TextureInterface
```

A UML class diagram showing an inheritance relationship. The class 'TextureInterface' is at the top, and 'Texture2D' is at the bottom. A vertical arrow points from 'Texture2D' up to 'TextureInterface', indicating that 'Texture2D' inherits from 'TextureInterface'.

Texture2D
